Date: \_\_\_\_\_

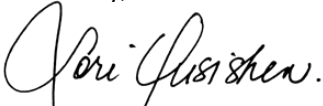

To whom it may concern:

This letter is to support \_\_\_\_\_'s application for extended health insurance coverage for psychotherapy provided by me. I am a therapist who provides individual, relationship and family therapy in the city of Winnipeg. I have a Master's degree in Marriage and Family therapy obtained from the University of Winnipeg. I am a practicing Registered Social Worker with the Manitoba College of Social Workers, registration #3749.

My clinical training has prepared me to work with a wide range of individual and relational issues, including stress, depression, anxiety, sexuality, family violence, childhood abuse, relationship problems, substance abuse, trauma, effective communication and issues of aging.

Should you have any further questions regarding my qualifications, experience or professionalism, please contact me at 204-333-9234.

Sincerely,
